John M. Comerford
Candidate for Governor's Council, 8th District.

Jay McMahon, Republican Candidate for Massachusetts Attorney General, is proud to announce his endorsement of John M. Comerford, Candidate for Governor's Council, 8th District.

John Comerford is a conservative Republican with a lifetime of service. He is a United States Air Force Veteran who served on active duty during the Vietnam Conflict, and received an Honorable Discharge. John was also a Chief Welfare Fraud Investigator, and Safety Officer, responsible for Campus Police at Westborough State Hospital, Head of Security at the Federal Buildings in both Springfield and Pittsfield, and an Investigator for the Massachusetts Office of the Attorney General. More recently, John is a State Certified Veterans' Agent. John has assisted veterans and their families for 12 years in receiving the benefits to which they were entitled. This included obtaining Chapter 115 benefits for many facing financial difficulties.

John will bring a strong voice of reason, the voice of the people, to the Governor's Council. He will represent the western half of the Commonwealth, bringing a diversity of thought to an otherwise majority Democrat liberal Council.

Sincerely yours,

James R. McMahon, III
Republican Candidate
Massachusetts Attorney General
