Re: Endorsement of John Comerford for Governor's Council district 8

To whom it may concern.

I am happy to endorse John M. Comerford for Governor's council. I believe John will serve with honor, integrity, and passion.

John has been married to his wife Mary for the past 54 years. He is a veteran, he served in the U.S. Air Force during Vietnam, an amazing patriot, and is a wonderful father.

He worked as a fraud investigator with this state's welfare fraud bureau and the office of Attorney General. He will make sure we have the right judges to prosecute and protect the citizens of Massachusetts.

I am honored and proud to support my friend John M. Comerford for Governor's council.
